

FLEX3·6·9

Flexible Bible Study for Beginners

Keep this plan handy if you need help deciding which verses to FLEX. Each day, you'll read the passage on the left column. If you have additional time to study, pick one of the three FLEX passages to study. Each FLEX passage is hand-picked as a great use of your time if you are using that FLEX level.

FLEX 3: God's Character, Commands, and Promises

FLEX 6: People, Places, and Periods

FLEX 9: Transitions, Petitions, Foundations

Be sure to check out the full FLEX training if this is your first time using the FLEX 3-6-9 method.
